

QUICK FACTS ABOUT PAY AS YOU DRIVE

- With Pay As You Drive if you drive less than the average profile for your age and your area you will pay less.
- PAYD is ideal for people who catch public transport and don't drive their car often or have a second or third car and use that car sparingly.
- People who qualify get Comprehensive car insurance with a minimum annual premium and purchase insurance for the kilometres they expect to drive.
- Unused kilometres never expire – they can be transferred year to year or they can be refunded.
- If you are about to run out of kilometres you can apply to purchase additional kilometres from Pay As You Drive simply by calling **13PAYD**. Topping up kilometres is easy.
- Pay as You Drive reminds you when you may need to top up your kilometres with a sticker for your windscreen and an SMS.
- No other company offers PAYD in Australia. There are approximately 18 companies offering something similar globally but all rely on GPS systems in the vehicles to monitor distance driven.
